

Team Comoso provides product knowledge, customer solutions, technical assistance, the most comprehensive motion and control products available, and is fully committed to its customers and their needs.

Hydraulics

- Pumps & motors
- Cylinders
- Rotary actuators
- Directional, pressure & flow control valves
- Cartridge valves
- Electrohydraulics
- Oildyne micro power units
- Vescor reservoir & accessories
- Thermal Transfer heat exchangers
- Eskridge gearboxes & brakes

Fluid Connectors

- Hydraulic hose & fittings
- Air & water hose
- Thermoplastic, hose, fittings & couplers
- Teflon hose & fittings
- Up to 60,000 psi hose
- Custom hose assemblies
- Tube fittings & adapters
- Brass fittings & plastic tubing
- Quick couplers
- Ball valves

Automation/Pneumatics

- Cylinders
- Air control valves
- Air Prep – FRL's
- Actuators, slides & grippers
- Flow controls
- Structural framing
- Vacuum products
- Air logic control
- Integrated systems
- Tubing & fittings
- Skinner/Gold Ring valves
- Serial Addressable Modules (SAM)

Filtration

- Spin-on filters
- High-pressure filters
- Transfer filters
- Filtration systems
- Fluid analysis
- Par-fit competitor interchange reference
- Water removing elements
- Desiccant breathers

Seals

- O-rings & O-ring kits
- Hydraulic & pneumatic seals
- Rubber bonded to metal/plastic
- Spring energized seals
- Molded shapes
- Fastener seals
- Metal seals
- Kalrez®
- Cord stock
- Extruded shapes
- Lathe cuts
- Spliced seals

Servo Motion Controllers

- Delta Computer Controllers
- Designed specifically for hydraulic servo and proportional valves
- Up to 8 axis of control per module
- Seamless transition between force, speed and /or position control
- Graphic displays for easy setup and troubleshooting

Gauges

- NoShok gauges
- Transducers
- Transmitters
- Needle valves
- Diaphragm seals
- Snubbers
- Digital indicators
- Pressure switches

Lubrication

- Automated lubrication systems house
- Orsco® auto lubrication systems
- Industrial pumping systems
- Hydraulic, pneumatic and electric drives
- Electric or air operated transfer pumps
- Lubrication truck accessories
- Complete line of accessories

Continually Adding Value With . . .

Mobile Hose Service

- 24-hour on-site service
- Custom hose assemblies
- Preventative maintenance programs
- System installation

Seal Kits

- O-ring kits (std/metrics)
- Cylinder rebuild kits
- Manufacture interchanges

Sub-Assembly

- Any and all components can be kitted
- Sub-assemblies produced
- Complete outsourcing available

Engineering Services Available

- System analysis and troubleshooting
- 2D, 3D and conceptual design and drawings
- Schematic designs
- System efficiency analysis

System Design & Fabrication

- Custom power units
- 20,000 sq foot facility
- Turnkey systems
- JIT delivery

Multi-Axis Motion Base

- Multiple degrees of freedom
- Closed looped system
- Computer interface
- Record-playback capabilities

Rental Equipment

- Complete hose fabrication tooling for rental or purchase
- Tube fabrication equipment

Customized Rental Units

- Hydraulic power units
- Customized power units
- Off-line filtration units
- Accumulator racks
- Filter carts

Parker Store

- 6 locations
- Huge inventories
- "Full-line" product offering
