FIELD BULLETIN: ND-VAL-30-2

Date: October 20, 2000

NOTICE OF DISCONTINUANCE REMINDER

‘42’ Series Solenoid and Remote Pilot Valve

The ‘42’ Series Solenoid and Remote Pilot Valve will be
 Discontinued **EFFECTIVE DECEMBER 31, 2000.**

The ‘B5 and ‘B6’ Valve will replace all INLINE ‘42’ Valves as the mounting holes are interchangeable. The STACKING ‘42’ Valve will have repair kits available for 5 years to assist customers. A one-year notice has been issued to allow salespeople and distribution ample time to notify and convert customers.

The ‘42’ Series **Lever and Pedal** Valves will **NOT** be discontinued or have their price affected.
