

# Touch Panel 600 Starter Kit

HMI + PLC All-in-One

# Touch Panel 600 Starter Kit

Part Number: 8003-0099/0000-0055

## HMI + PLC ALL-IN-ONE

The Touch Panel 600 starter kit contains a 7 inch advanced Control Panel (HMI + PLC all-in-one) with a full single user license of the engineering software **e!COCKPIT**. Also included is a demo application which illustrates the extensive possibilities for visualization, web connectivity and programming with **e!COCKPIT**. Plus, a Docker application is used to demonstrate another option for application creation under Linux using open source software.

**This kit is limited to one per customer.**
